Re: Victaulic Presentation, 3/19/10

Brian,

Thanks a million for your efforts to bring the Victaulic presentation to Pinkerton Academy. As always, MSI Mechanical is on the frontline of support to education. My students were impressed with John's presentation and with the pictures in your brochure. So often education is "forgotten" by industry. We value the assistance you and MSI Mechanical provide and look forward to this future partnership.

Joseph Steinmetz, HVAC Instructor
