The Marines of Company B conducted a family day event on Sunday May 16, 2010. This was done to show our appreciation of the support our families give to our Marines.

As an active supporter of service members in the community, you offered and provided a rock climbing wall and face painting materials for the children, which had a combined total value of \$1000. These donations were enjoyed by all who attended and were very appreciated by all who attended the event.

On behalf of Company B, we truly appreciate and are thankful for the support of the local businesses such as yours who donate to these functions. These one time donations for single events ease the cost to the government for over 150 Marines and 250 family members that attended.

Thank you again for your support,

J. A. CLIMER
MAJOR USMC
