Re: St. Matthews Parish Center
Windham, NH

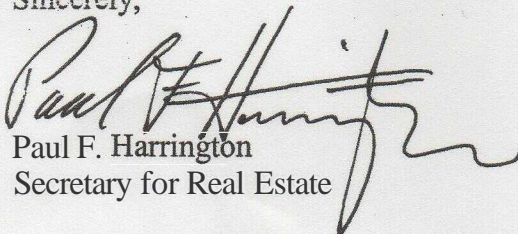

Dear Brian,

This letter is being offered to acknowledge you and your team, and to thank you for the excellent work MSI Mechanical Systems, Inc. has done with the installation of the mechanical system for the new St. Matthew Parish Center in **Windham**, New Hampshire. You fully met the high standards of the Diocese, and your team completed their portion of the project on schedule and within St. Matthew's budget.

It was a pleasure to have MSI Mechanical Systems, Inc. work on the St. Matthew Parish Center project, and I look forward to working with you and your team in the future.

Thanks again.

Sincerely,

Paul F. Harrington
Secretary for Real Estate
